**Motion:** Josh moved, and Noelle seconded to spend \$561 to insurance the two trailers with a \$1,000 deductible.

Discussion. Michelle suggested we not include a dollar amount in case the cost goes up next year. Josh expressed his concern that it would increase, and they wouldn't take that into consideration at the renewal time. Noelle pointed out that they've never insured the trailers, so it's never been included in the budget. It would need to be included in the budget next year for

approval. Shannon suggested a line item for the trailer to include insurance, DMV fees, and insurance. Discussion ensued.

**Amended motion:** Josh moved, and Noelle seconded to pay \$561 this year for two trailers and build it into the budget for future years. All in favor; none opposed; motion carries.

- Lights. Tabled until next meeting.
- Golf cart is being fixed right now. It will cost \$80 for a new gas tank. Once repairs are made, they will sell it.
