- **Approval of last month's minutes was tabled:** We did advise the minutes are posted online on Noelle's Band website for those wanting to review.
- **Executive Meeting recap from 05/26/20:** Given by Melinda Gartman
Board discussed where were at on Budget. New budget was approved at last General meeting, so we went over that at the meeting. Discussed new fundraiser ideas. Upcoming events like Senior bags etc.
- **Correspondence:** None
- **Band announcements:**
HS: Noelle Freshner
Virtual Concert and awards went well, had a good amount of people attend. Today is the last day of classes, there were a few incompletes. She felt there was some great improvement with Smart Music. Smart Music has a discount where it would only cost the band members \$10 a piece for that program and not \$40.
Wind Ensemble Auditions results posted, a few folks have done a second audition which she will go ahead with.
Noelle has put in all of her facility requests for 2021 with the assumption at this time that events will still proceed.
Marching band and color guard had a leadership team meeting about summer contact and about reaching out to students and get together and keep contact.
We've lost more kids than expected this year with Distance learning, she's hoping to get those kids back as things move forward.
Music was purchased for halftime show. Justin will be here for Drumline auditions.
Noelle hopes to work with Guard staff to get a Guard audition happening. OSAA says we can't do any try outs at this time, however Marching band and Colorguard is not OSAA.
Noelle is brainstorming an idea where non-marching band kids who are doing a sport instead can still go on trips and participate in the events.
School Bond passed, and Noelle has some specific goals for the band room including more storage area, and a flat floor.

MS: Travis Freshner
Not all kids are handling the distance learning for band, there has been a lot of kids who want to quit and who Travis has had to help them through this hard time. For next year we have 35 kids signed up for beginning band. Almost all kids are behind but Travis is staying hopeful that we'll catch up. Right now we're just waiting to hear from the State on what the plan is for next year. Award recognition was sent out via e-mail for MS.

Noelle reviewed what the set-up will be for TNT. At this point the plan is to have the fireworks in the center of the tent and tables set up around the merchandise so it's a 'no touch' kind of set up. More brain storming will need to be done on the set-up of the firework stand.
