

June Band Patrons Meeting

June 7, 2018

Meeting called to order.

Present: Abby Marx, AJ Jennings, Krissy Washburn, Russ Griffin, Lisa Scholl, Ryan Scholl, Melinda Gartman, Karin Himes, Janae Bates, Kathy Hoffman, Kristina Saul, Kendra Griffin, Noelle Freshner, Becky Washburn

Last months minutes approved as written. Motion made by Abby Marx, seconded by AJ Jennings,

Treasurer's Report: see attached for incoming and outgoing funds.

Deadline for scholarship application was extended for summer private lessons, because this is a new program. Currently there are 6 private lesson at \$200 each, information given to Kathy on how payments are to occur.

Correspondence:

Letter received from corpsman in North Carolina containing box tops. K.Saul doing a thank you response.

Band Announcements:

Abby has a horse trailer full of stuff for rummage sale on Saturday, June 9, 2018

Events are on the calendar for summer, and into next year. A few small events to added. Main marching band camp is in August, with leadership camp a little earlier than usual. Facilities reserved for main events, practice sessions for winter guard and percussion need to be scheduled, which can be done in fall. Suggestion made for a mini winter camp for group bonding.

Photo sessions scheduled for group pictures. Marching band will be at parent show. High school and middle school photo sessions have been arranged.

No scrips information available currently

Unfinished Business:

Spaghetti feed dinner: Report given by people who attended the dinner. It appeared to be poorly attended. 80 tickets presold, 17 at door. 62 in attendance. Money collected at door were kept by Moose lodge. Band kept money from presales, minus the costs of \$55. Recommendations for improvement where made, such as: Make the event obviously associated with band with such things as school colors, musical decorations, and having students bus tables. Another suggestion was for a silent auction and a different weekend (not holiday). Packets for student selling tickets with more information such as location, deadlines, checks to band patrons, and easier to read ticket numbers for better tracking.

Fundraisers:

Email reminder sent out for sign-ups for TNT booth. Students to be on street with signs, no back to back shifts for middle schoolers.

This is the season for a car wash. Would need to select a venue, if done at high school an adult needs to be a district employee. Band Patrons have supplies to do a car wash. Possibly a good event for guard.

Rummage sale needs volunteers and set up for Saturday. Abby is working on this.

New Business:

Candles passed around to smell and vote on 6 favorite, for a fundraiser in September. To occur from 10-26 of September and ready to pick up October 22.

June can drive was pathetic, did not fill trailer so will roll over into TNT. Cans and bottles can be donated at TNT, and we will have a parent/student combo to sort during evening.

Kathy and Kristina attended TNT training and met a gentleman with potential fundraiser for the band patrons. Volunteers would be customer service for his tree booth during holidays. Volunteers would receive an hourly wage.

Winter guard has signed up for 2 potential CRPUD truck washes, the guard were not selected for first and no word on second, which is in Sept.

Discussion occurred regarding potential deficit with last years TNT sales. Plans made for daily audits of product, and cash counting at each shift change. Following morning notified by Kathy that there was a profit. Problem solved.
